

What do we think is the “Why” of the COVID-19 Pandemic? Some think it’s a judgement from God, a sign of the end times, the fault of the Chinese, or a failure of the government.

Far more important is the “What” – What can we do to respond to it?

N. T. Wright’s book “God and the Pandemic” promises to shape our faith now and into the post-virus world. The book offers profound answers to our many questions, including:

- What should be the Christian response?
- How should we think about God?
- How do we live in the present?
- What can we learn about ourselves?
- How do we recover?

Join us on Zoom on Thursday evenings at 7:30 PM using the link below as we discuss the book and some related YouTube videos.
