True grace is shocking, for God does not excuse sin but always treasures the sinner. God always extends his grace to individuals regardless of what they have done—for no one is unforgiveable in his eyes. Grace shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope. It forgives the unfaithful spouse, the racist, the child abuser. It loves today's addict as much as the tax collector of Jesus' day.

In his recent video series, Philip Yancey explores the concept of grace. Grace seems scandalous because of its insistence on seeking out the immoral and the outcast. How are Christians doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Yancey offers compelling and true portraits of grace's life-changing power. He searches for its presence in his own life and in the church. He asks how Christians today can contend graciously with moral issues that threaten all they hold dear. What does grace look like in action? How does it affect our attitudes and actions toward those we judge or with whom we disagree?

After a brief presentation by Yancey, we will be discussing the implications of grace and forgiveness in our lives. Philip Yancey has written thirteen Gold Medallion Award-winning books and has received two Book of the Year awards for *What's So Amazing About Grace?*
